

GROWING LIVING BUILDING TOGETHER

“God’s faithfulness continues through all generations.”

Ps. 100:5

The First Presbyterian Church of Byron would like to have your family’s name forever engraved in our town’s history. Since its founding, in 1818, the Presbyterian Church has been a beacon of hope in the center of our community, a place to gather and celebrate the milestones in our lives. We would love for you to be part of our legacy. The Church is undergoing a major facelift to replace its crumbling exterior, and we need your help to preserve this piece of our town’s history. We will be creating an installation of personalized bricks on the church grounds. This is a lasting tribute you can share with future generations, and it would make a great gift in honor or in memory of a loved one!

If you’d like to take your place in our history, please complete the attached form and send it, with your payment, made payable to:
